We've come here to lay this little hand-maid in this new-dug grave- She is not here. Her absence occasions our coming here today.. This is but the house in which she lived. While she abode in it, it was alive.. But she has gone, and the house is silent and lifeless. As it was taken from the earth, so it will go back and mingle with its kindred elements. We can do no other than to bring it here, and laying it back upon the bosom of Mother Earth, say; "Earth to earth a to a, dust to dust" Despite the shadow and sorrow caused by her absence, we recognize the intality of the soul; that thru Christ we have hope of etn life in heavn-mortal body
